Your Hosts

The Gannons have been escorting tours for over 30 years and have hosted groups to Alaska on 28 different occasions. What better way to cruise than with someone who knows the ins and outs of Princess. They can make recommendations on tour opportunities, and if you have a concern, they are there to take care of it on the spot so you can travel worry free.

Your Ship

Embark on a journey aboard Royal Princess and indulge in the timeless favorites you've cherished, alongside thrilling new experiences. Delight in exquisite dining at two of our specialty restaurants, where the menus are thoughtfully designed by renowned Michelin-star chefs. Join us and discover the enchanting allure that makes this ship a truly extraordinary escape.

Glacier Bay

Princess is one of the select few cruise lines permitted to cruise the pristine waters of Glacier Bay, the highlight of our voyage. Just west of Juneau, this breathtaking national park and preserve, boasts some of the world's most spectacular tide water glaciers, such as Marjorie Glacier, which often drops colossal chunks of ice into the sea.

During your scenic cruise, friendly park rangers will join the ship to share their knowledge of this amazing place. Take in the awe-inspiring scenery as you enjoy an unforgettable day of sailing through this dazzling park, where you will glide among emerald waters and past calving icebergs breathing in the crisp, fresh air to your heart's content.
